Repeater Status:

70 cm: Dave had a chat with the manufacture about the intermittent transmitter. Dave will need to monitor certain aspects of the repeater while it is operating via a data-logger.

2 m link: Okay

6 m: unknown, Dave's home station has been disassembled in order to move, can't monitor

APRS: unknown Dave's home station has been disassembled in order to move, can't monitor

Old Business: Repeater site visit canceled. Field Day, June 28th will be at Gateway Park in Gold Bar. Personnel and equipment discussions took place. A site visit to the park occurred after the club meeting. Press releases were sent to the Everett Herald and the Monroe Monitor.

New business: Tom suggested the roster reflect member association with ARRL, RACES and ARES. David indicated this can be done. The Night Out Against Crime will be on August 5th at Lake Tye in Monroe. Dan mentioned the Air Force Thunderbirds will be flying at the air show at McChord AFB on July 19, 20th.

Good of the Order: Dave shared about his recent trip to Russia, showing many photos and a Russian amateur radio license. In the future, Dave will be able to monitor the Clearview repeater from his new QTH in Shoreline. Dan discussed HD radio.
