Good of the Order: WA state Salmon Run contest is September 20th & 21st; this is a good opportunity for gaining experience operating during a contest. The National Weather Service is searching for volunteers for a Community Collaborative Rain, Hail and Snow Network CoCoRaHS. A donation from Bobbie Biernietz to the club during the meeting consisted of several question pool books, code tapes and instructional HAM radio books. The club is very appreciative of this gift. 360.793.8803
