Old Business: John has not been successful in contacting Ken KE7PMX concerning
installing club equipment at the county Index site. Our new Public Information Officer
was approved by the club and Tom K8TOM has been appointed to this position. The
club's Constitution and By-Laws were amended to reflect this appointment.

New Business: Kris discussed Auto Rally-Racing and how Ham radio can support this
other hobby. Race sites include Merritt, BC, Mt Hood and Ocean Shores. David KB7GFL
suggested during our planning for Field Day 2012 the club be intentional on antenna
selection to maximize contacts (thinking about the attributes for verticals, beams,
dipoles and NVIS antennas)
