## Month, Year Meeting Minutes

### 18 JULY 2015

**Call to Order:** 8:45AM by John AC7LC

**Introductions:** 11 in attendance

**Secretary/Treasurers Report:** Bank account- \$644.40, Cash \$33.14 (\$4.50 raffle + \$28.64 last month's balance)

**Repeater Status / Net Report:** 70cm – op but still RX issues not resolved yet, 2m link – op, APRS – op (W7BCW monitored APRS frequency and heard W7SKY node several times broadcasting), 6m – Inop. Cybil N6IBI not present but forwarded report to club officers – averaging 4.25 check ins last 4 weeks and due to repeater RX issues used 2m link frequency.

**Old Business:** Field Day – John AC7LC attended Monroe City council meeting to thank city letting SVARC use the emergency com. Bus for Field Day. Field Day results were presented to club. Repeater duplexer – hold off building or purchasing one for new repeater and make use of old one for now.

**New Business:** Mike KE7OKV proposed emergency drill in simplex relay from Monroe to Stevens Pass and reverse relay. This is to contribute a backup coordination on 2m link frequency (see Monroe-W7SKY Simplex Relay proposal sheet). Bruce W7BCW brought up needing a list of emergency frequencies to monitor during tests or real McCoy. Mike KE7OKV recommended a book “Full Rip 9.0 The Next Big Earthquake in the Pacific NW by Sandy Doughton”

**Good of the Order:** Bruce W7BCW suggested starting the meetings at 9AM rather than 8:45AM, John AC7LC suggested start anytime between 8:45 and 9 depending if anyone is still getting breakfast and needs more time. Kathy KE7CGE ask's for WEB info she can post on web site.

Raffle: David Singleton won raffle of \$9, \$4.50 to club.

**Adjournment:** 9:50AM
