

Sky Valley Amateur Radio Club

Month, Year Meeting Minutes

SEPT. 19, 2015

Call to Order: 08:55 by John AC7LC

Introductions: 9 in attendance

Secretary/Treasurers Report: Bank account - \$664.40, Cash - \$70.84 (\$33.13 last month's balance + \$37.71 Field Day left over funds)

Repeater Status / Net Report: 70cm – op still some RX issues, 2m link – op, APRS – op (confirmed by Bruce W7BCW but needs confirmation from others), 6m – inop. NET status by Cybil N6IBI about 5 check-ins average.

Old Business: Lake Tye has been confirmed by Brad KE7EOF for clubs next Field Day site (not sure about RC boats yet). Cascadia Rising Event June 16th need to test for locations between Stevens pass and Monroe to see how communications go as far as signal strengths and solid copy using HT's for message relay.
Scott Honeker will be at the OCT. meeting to talk about Cascadia Rising exercise.
Bruce W7BCW talked about new repeater and progress made getting controller hooked up to repeater and still needs to get 2m link rig hooked up and tested.

New Business: Next meeting in OCT. Bruce W7BCW has some shirts that Yaesu sent after purchasing repeater from them will be raffled off. Shirts have embroidered Sky Valley Amateur Radio Club W7SKY on them. Bruce W7BCW brought up idea of having Seismic Alert signal from PNSN trigger alert on repeater for early warning to area hams.

Adjournment: 09:31 by John AC7LC (no 50/50 at this meeting)
