

Sky Valley Amateur Radio Club

Month, Year Meeting Minutes

January 16, 2016

Call to Order: 08:50 by John AC7LC

Introductions: 12 in attendance (2 guests)

Secretary/Treasurers Report: \$684.40 in bank account; \$70.84 in petty cash

Repeater Status / Net Report: 70cm - op with good to poor intermittent RX; 2m link – op; APRS - - unsure at this time; 6m – intermittent op reported; NET @ 19:30 hours every Tuesday status by Cybil N6IBI about 4 to 5 check ins per week, N6IBI reports issue with his rig.

Old Business: Some more discussion about NVIS antennas, Dave KB7GFL presented a map showing contacts on both 75 meters and 40 meters using his NVIS antenna showing distance from his operating location.

New Business: Ernie W7EDA brought a file folder full of SVARC history. Bruce W7BCW reminded members it is time to renew membership. Bruce W7BCW suggested the club look for another presenter for one of our upcoming meetings. Chris N7KDM brought up some unknown (to W7BCW) info about repeater site having wireless signal nearby that we could possibly connect too for enhanced repeater op.

Good of the Order: John presented info on using 10 digit phone number in case 911 service goes down. <http://waapconena.org/psap.htm> where one can look up the 10 digit number for different counties.

Adjournment: 09:07 by John AC7LC
