

Hello from the Sky Valley Amateur Radio Club.

We are a group of Hams who are dedicated to helping out in our communities. While the club focuses on Sky Valley from Stevens Pass to Monroe, our members come from areas of Snohomish County and parts of King County.

We would like to extend to you, your family and friends, an invitation to join us at our monthly meetings:

PLACE
STAMP
HERE

Breakfast and Meeting every third Saturday of the month at 8:45 AM at:
Trax Edge Cafe
EvergreenHealth Monroe (East Entrance)
Formally known as:
Valley General Hospital (East Entrance)
14701 179th Avenue Southeast
Monroe, WA 98272.

Many of our club members are active in several local emergency communication organizations:

- **Snohomish County ACS**
- **Search and Rescue**
- **CERT**
- **Western WA Medical Services Communications Team**

During local emergencies as well as at other times, club members may also be found on an informal Sky Valley chitchat frequency of 146.580 MHz simplex.

If you are interested in any of these activities, modes of communication, want to introduce us to your own amateur radio interests, or just want a chance to meet other local Hams, PLEASE PLAN to visit us at our meetings. With plenty of good eats from the restaurant located outside our meeting room and great conversation with the group, you're sure to be entertained.

[You can view our club activities and additional information at our website: w7sky.org](http://w7sky.org)

AMATEUR RADIO CLUB

~ HAM IS SPOKEN HERE ~

W7SKY.ORG

ARRL Affiliated Club

Acting together as a club and as individuals we have provided communications, both voice and live TV, for local parades, fun runs, emergency drills, Sultan Shindigs, Gold Bar Gold Dust Days, and bicycle races. The club also operates a Field Day station using our club call sign, W7SKY, to demonstrate Amateur Radio to the general public. Our club periodically offers an amateur radio licensing course to the general public. Additionally, we encourage the use of ham radio as a teaching tool in school classrooms.

Club membership interests span a wide spectrum of ham radio activities:

- ◆ APRS
- ◆ QRP
- ◆ Digital Communications (including with the International Space Station)
- ◆ Amateur Radio Astronomy
- ◆ DX'ing
- ◆ Rag Chewing
- ◆ Amateur TV

Visit us on the web:
www.w7sky.org

Our membership includes a wide variety of backgrounds:

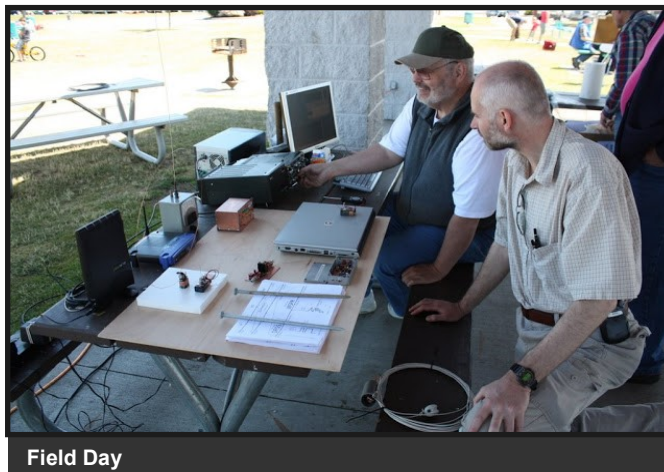

- ◆ Small business owners
- ◆ Stay at home parents
- ◆ Electrical & software engineers
- ◆ City employees
- ◆ Public school teachers
- ◆ Volunteer firefighters / EMS personnel
- ◆ Students
- ◆ Construction workers
- ◆ Retired persons from various backgrounds.

Our Membership

In other words we are people just like you from all walks of life.

Students w/Ham License? >>

Student Membership is open to licensed students through high school and includes all Club privileges as well as rights to hold Club office and to vote for Club officers. A student member may become a regular member upon payment of the required dues.

Field Day

The club sponsors and maintains Sultan area repeaters:

Tuesday Night NET

at 19:30 hours (local time)

444.125 MHz with a 145.65 MHz link both with a PL of 103.5 Hz, and 53.35 MHz with a PL of 100 Hz. and the Sultan APRS node on 144.39 MHz.

Welcome!
