Old Business

Tom K8TOM gather months of Birthdays of the club members to be posted. David KB7GFL called Nathan in Sultan in charge of Public Words regarding cell tower but has not received a return call. Wanted info on the emissions study (RF exposure). Bruce said might not be the City to get that from. But might want to get hold of the FCC. Maybe we need to submit questions through the FCC but not sure how to look that up.

New Business

Erik K7QOG reported that the Monroe Triathlon will be held on 7/16 and will send links to this information to be placed on Club website. No other new business.

Nominations for new officers was brought up. We can do a web form or Kathy K7THY stated doing a ANONYMOUS POLL on Zoom. No nominations were given. David KB7GFL, Bruce W7BCW and Kathy K7THY are not wanting to run for office this time and Bill Conner KE7WTR also stated no office for him. Kathy K7THY still wanting to have someone take over the website. Bruce W7BCW stated to do the election like last year through email. Many members agreed with that. We went over the By Laws and could see 1/3 membership makes a quorum. Please new people run for office! Garth KA7BVS said he will run again. Any nominations are to be emailed to Tom K8TOM. An email will be sent out on Monday this next week and also 1 week before the next Zoom meeting to the active members. Be checking your emails for this information at that time.

Steve N7SRR thanking David KB7GFL for helping him with FT8. It's been decided there will be a presentation of FT8 at one of the upcoming meetings.

Guest: Rob W7RDW introduced himself and how long he's been a Ham. He will be sending in his Club Application. Welcome Rob!

Good of the Order Sometimes it's good sometimes it's bad. You choose. Meeting was adjourned at 9:58
