This is the W7SKY Sky Valley Amateur Radio Club Weekly Net for <date: _____>.

I am <your name: _____>,

<your call sign: _____>, and shall be the Net Control Station for this evening.

The purpose of this Net is to check equipment readiness and practice radio operations, while at the same time providing for the exchange of information that may be of interest to the amateur radio community.

<Let repeater drop momentarily>

This Net meets every Tuesday at 1930 hours local time on a frequency of 444.125 MHz with a 103.5 Hz sub-audible tone. Please note that if a repeater failure should occur, we will meet instead on 146.580 MHz simplex, no tone.

<Let repeater drop momentarily>

This is a directed Net. All stations must use their call sign for recognition by Net Control. Please do not relay unless asked to do so. If you need to break into the Net with emergency traffic, give your call sign only and wait to be acknowledged by the Net Control Station.

<Let repeater drop momentarily>

Be advised that stations with priority or emergency traffic shall be handled prior to continuing the Net. Any station with priority or emergency traffic at this time, please come now.

<Let repeater drop; pause and listen>

This is Net Control Station <your call sign: _____> on the W7SKY repeater system.

Please stand by for the Member check-in. Listen for your call sign and respond with your call sign, name, location, and indicate if you have any traffic. Please hold your traffic until later direction from Net Control. "Missed" Members, Visitors and Relays will be called for after the Member Check-in.

<Let repeater drop, pause and listen>
